ABOUT US

VISHAL ENGINEERING CO. is an **ISO 9001:2015, ISO 14001:2015, ISO 13485:2016, OHSAS 45001:2018 & BIFMA** certified company who is among the distinguished manufacturers and suppliers of hospital furniture, medical equipment, ICU Beds and other related accessories. With our rich production unit, most genius team, large production capacity, worldwide distribution network and customer-focused approach, we supply our product nationally and internationally, thereby becoming the fastest growing company in the field of manufacturing & exporting hospital furniture & equipments.

We have one of the finest talented professionals who strive hard to instill the new trends and technology innovations in the manufacturing and designing processes and meet the expectation of our valuable India and Global customers in a well organized manner.

The hospital furniture and medical equipment offered by us are manufactured using latest technology from optimum quality metals and alloys that are sourced from certified and reliable vendors of the industry. Our products are widely demanded by hospitals, clinics, medical institutes across India and abroad due to our excellence in manufacturing quality products and unparalleled services. Our clients appreciate our products following to their fine-finish, durability, easy to install and low maintenance cost. Our main motto is to satisfy the requirements of all potential customers by maintaining the standard policy of keeping the quality of the product.

**MOTORIZED 7 FUNCTION
ICU BEDS (VEH-001)**

Features and Benefits :

- Mattress area divided into 4 sections made up of CRCA Sheet.
- Detachable polymer moulded head and foot bows provide a soothing look.
- Provided with 4 sectional polymer moulded safety side rails with separate angle indicators.
- Corner PU buffers absorb impact and reduce damage in handling.
- Provided with heavy duty saline stand with provision for fixing it at all four locations
- Castors of 125/150 mm dia. With central locking mechanism for mobility with control.

**MOTORIZED 5 FUNCTION STANDARD
ICU BEDS (VEH-002)**

Features and Benefits:

- Mattress area divided into 4 sections made up of CRCA Sheet.
- Detachable polymer moulded head and foot bows provide a soothing look.
- Corner PU buffers absorb impact and reduce damage in handling.
- Saline stand provision on four locations
- Split type 4 section polymer moulded safety side rails with separate angle indicator.
- Castors of 125 mm dia. With diagonal locking are provided for mobility with control.
- The complete metal components are pre treated and epoxy powder coated.

**MOTORIZED 3 FUNCTION
ICU BED (VEH-003)**

Features and Benefits:

- Mattress area divided into 4 sections made up of CRCA M.S Sheet.
- ABS head and foot bows are locked and provide a soothing look.
- Corner PU buffers absorb impact and reduce damage in handling.
- Saline stand provision on four locations.
- Castors of 125mm dia. With diagonal locking are provided for mobility with control.
- The complete metal components are pre treated and epoxy powder coated.

**MECHANICAL DELUXE
ICU BEDS (VEH-011)**

Features :

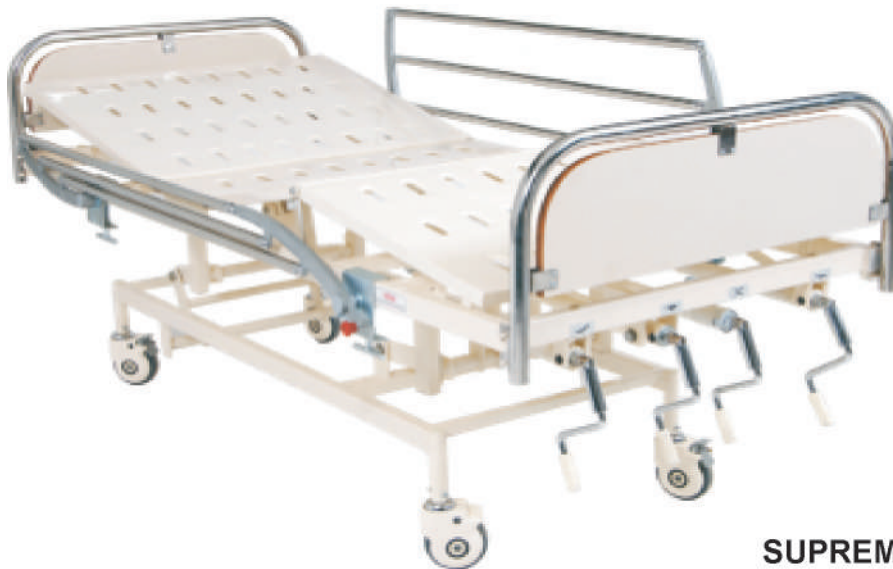

- Steel structure with Mattress area divided into 4 sections provides for 5 different position adjustments.
- Detachable SS framed head and foot bows with laminated panels provide ease of access and a aesthetic look.
- SS/MS Collapsible side railing
- Corner rubber/PU buffers absorb impact and reduce damage in handling
- Saline stand provision on four locations

**MECHANICAL SUPREME PLUS
ICU BEDS (VEH-012)**

Features and Benefits:

- Mattress area divided into 4 sections made up of CRCA Sheet.
- Detachable ABS head and foot bows provide a soothing look.
- 4 pieces individual ABS side rails with angle indicator
- Corner PU buffers absorb impact and reduce damage in handling.
- Saline stand provision on four locations.
- With diagonal locking are provided for mobility with control.
- The complete metal components are pre treated and epoxy powder coated.

**SUPREME HOSPITAL
FOWLER BED (VEH-021)**

Features and Benefits:

- Mattress area divided into 4 sections made up of CRCA Bed mounted on 100 mm casters, two with break.
- Detachable ABS head and foot bows provide a soothing look.
- Saline stand provision on four locations.
- The complete metal components are pre treated and epoxy powder coated.
- 2 separate crank mechanisms for Back rest and Knee rest respectively.

**SUPREME PLUS HOSPITAL
FOWLER BED (VEH-022)**

Features and Benefits :

- Mattress area divided into 4 sections made up of CRCA Sheet, mounted on 100 mm castors two with brake.
- Detachable ABS head and foot bows provide a soothing look.
- 4 pieces individual ABS side rails
- Saline stand provision on four locations.
- The complete metal components are pre treated and epoxy powder coated.
- 2 Separate crank mechanisms for Backrest and Knee rest respectively.

**HOSPITAL FOWLER BED
(VEH-023)**

Features and Benefits :

- The bed is made on trolley base.
- Food table is attached with bed to save the extra space.
- Provided with wooden dash board with metal box at foot bow.
- Detachable SS framed head and foot bows with laminated panels provide ease of access and a aesthetic look.

**SUPREME HOSPITAL SEMI
FOWLER BED (VEH-031)**

Features and Benefits:

- Mattress area divided into 2 sections.
- Saline stand provision on four locations.
- Detachable ABS head and foot panels provide a soothing look.
- The complete metal components are pre treated and epoxy powder coated.
- Crank mechanism for Back rest.

**DELUXE HOSPITAL SEMI
FOWLER BED (VEH-032)**

Features and Benefits:

- Mattress area divided into 2 sections.
- Detachable SS framed head and foot bows with laminated panels provide ease of access and an aesthetic look.
- Saline stand provision on four locations.
- The complete metal components are pre treated and epoxy powder coated.
- Crank mechanism for Back rest adjustment.

STANDARD HOSPITAL SEMI FOWLER BED (VEH-033)

Features:

- Mattress area divided into 2 sections
- Saline stand provision on four locations
- Crank mechanism for back rest adjustments

DELUXE PLAIN WARD BED (VEH-041)

Features and Benefits:

- Frame made of rectangular CRCA pipes.
- Bed top made of CRCA perforated sheet.
- SS frame head and foot bows with laminated panels.

STANDARD PLAIN WARD BED (VEH-042)

Features and Benefits:

- Provided with mattress guard.
- Provision for fixing IV/Saline Stand.
- Frame made of rectangular CRCA pipes.
- Bed top made of CRCA perforated sheet.

PEDIATRIC BED WITH SIDE RAILINGS (VEH-043)

Features and Benefits:

- Frame made of CRCA rectangular tubes.
- Bed top made of CRCA perforated sheet.
- Drop down/swing down side railing made of CRCA pipes

DELUXE EXAMINATION TABLE (VEH-051)

Features and Benefits :

- Sheet and pipes are made up of CRCA material.
- Back rest can be adjusted with pneumatic pump.

DELUXE GYNAE EXAMINATION TABLE (VEH-052)

Features and Benefits :

- Two section cushioned top made up of CRCA sheet.
 - SS waste collection bowl provided below the Perineal cut
- All metal components are pretreated and epoxy powder coated.

STANDARD EXAMINATION TABLE (VEH-053)

Features and Benefits:

- Two section made up of CRCA sheet.
- Back rest adjustable by ratchet mechanism.
- Frame is made up of CRCA rectangular pipe.

SOILED LINEN TROLLEY (VEH-061)

Features and Benefits :

- Provided with superior quality canvas bag.
- SS Framework mounted on 10 cms castors

INSTRUMENT MAYOS TROLLEY (VEH-062)

Features and Benefits :

- Framework is made up of SS Tubes mounted on 100 mm castors.
- Height adjustable by gear provided on either side.

PATIENT TROLLEY (VEH-063)

- **Dimension:** 2100mm x 550mm x 800mm approx
- Frame made of Stainless Steel pipes
- Two section foam padded/Stainless Steel top
- Backrest adjustable

PATIENT VITAL CHART TROLLEY (VEH-064)

**EMERGENCY PATIENT TRANSFER
TROLLEY (VEH-065)**

Features and Benefits:
